

October 2007

I have had the great pleasure and good fortune to work with Michael Marmur and Special Event Photography over a number of years and for many special events.

As an event planner, Special Event Photography is my first call for all photographic needs for my clients' events. Michael and his team of professional photographers provide outstanding service, take care of all photography concerns, make event guests and delegates feel at ease, and produce great results every time.

Special Event Photography exceeds industry expectations with their post-event service, working diligently to ensure event photographs are produced to deadline and the highest quality for the end client.

With their cross-Canada service, Special Event Photography provides wonderful and convenient customer service ensuring great photographic results for my clients' anywhere and anytime.

I highly recommend Michael Marmur and Special Event Photography for all your photographic needs.
